

Content Outline

By Arthur Santoro

Title: *Spinosaurus* Website

I'd like to build the site as 4-5 different pages with site navigation from the home page, There are many photographs of fossils and paleo-illustrations to work from for this subject

- Home page/intro
- Description
 - Skull
 - Neural spines
- History of discovery
 - Naming
 - Specimens
 - Classification
- Paleobiology
 - Function of spines
 - Posture
 - Diet
 - Ecology
- Sources
